## Metaphysics and Ontology

Dialectic, however, is practiced late in life by a select few with the requisite memory and quickness of mind, after they have studied various, essentially mathematical disciplines. Plato never considers the global skeptical challenge. But that still leaves the question of higher hypotheses unanswered.

It is not clear how these conditions can be satisfied.

## Plato's Metaphysics

In all likelihood, Plato wrote different dialogues at different times. An alternative is to allow that while both Beauty Itself and other items are characterized by beauty, Beauty Itself is simply and solely beautiful.

## Metaphysics the Philosophy of Existence, Being and Reality

Since philosophical and scientific progress is supposed to teach not that Justice is just but what Justice is, at some level at least Forms cannot be considered to be utterly and strictly simple.
