Top tips for traveling by taxi in the UK Going by taxi? Other sources of data not National Statistics 2. These are Arriva, Stagecoach Group, FirstGroup, Go-Ahead Group and National Express.

### Bus deregulation in Great Britain

Disabled travelers are generally well-catered for, but in more rural areas you may need to phone ahead to ensure your journey runs smoothly.

### Are urban bus services natural monopolies?

Bus manufacturers In 2020, the of buses and coaches, as determined by new registrations, were Ford and Mercedes.

### Bus and coach statistics, Great Britain / [prepared by the Government Statistical Service]

Conclusions Although bus use has declined over the years and continues to decline, it is clear that bus companies still have a highly lucrative business. Although Britain's local bus services have been open to free competition for more than three years, most have continued to be operated as monopolies by the original incumbents.
