Music Reviews We review a large amount of 'sheet' music, not all of which can be accommodated in the printed magazine. In's 1906 biography, Bach's organ toccatas are only mentioned as a group. After initially confirming Williams's doubts about the authorship of BWV 565, by the second decade of the 21st century, statistical analysis left the attribution issue undecided.

## Toccata

He used the stop for the Prestissimo triplets in the opening section, and the quintadena stop for the repeated notes in bars 12—15.
