## Gutenberg in Shanghai : Chinese print capitalism, 1876

Likewise, it will be enthusiastically received by specialists in cultural studies, political science, sociology, the history of the book, and the anthropology of science and technology. The difference between print commerce and industrial print capitalism is fundamental to understanding what separates the modern mode of production from what preceded it historically. Label Gutenberg in Shanghai : Chinese print capitalism, 1876-1937 Title Gutenberg in Shanghai Title remainder Chinese print capitalism, 1876-1937 Statement of responsibility Christopher A.
