**Gods Gift: Sermons For Advent Christmas And Epiphany : Cycle C Gospel Texts: ... 9781556733123**

This week, we encounter words that seem far from joyous! Yes, there is light in the land of darkness, there are angels and shepherds announcing and celebrating the birth of Jesus. The birth of the Christ has been revealed to and by the constellations. Christmas Season also includes what it meant for him and for us to grow up into the person he would become.

## **Discipleship Ministries**

While the readings for each Advent in the three-year cycle vary from year to year, the pattern of these readings is always the same. It is impossible to truly comprehend the possibilities of an immaculate conception or of God in the flesh, but when the church proclaims the message of redemption and displays God's unmatchable love, it exposes a truth that begins to transform the heart of the world. Why all the attention to disjunction, brokenness, and judgment? He was engaging in active conversation with the teachers of the law.
