## Land

Industry includes mining, manufacturing, energy production, and construction. PPP GDP is gross domestic product converted to international dollars using purchasing power parity rates. Although there were small country churches everywhere, there were only a few dilapidated elementary schools.

## Gilded Age

Some economists believing in policies criticised the timing and amount of austerity measures being called for in the bailout programmes, as they argued such extensive measures should not be implemented

Filesize: 46.54 MB

during the crisis years with an ongoing recession, but if possible delayed until the years after some positive real GDP growth had returned.

## Gilded Age

Following the vote in the Greek parliament on the austerity and bailout measures, which both leading parties supported but many MPs of these two parties voted against, Papandreou and expelled a total of 44 MPs from their respective parliamentary groups, leading to PASOK losing its

parliamentary majority. PPP GDP is gross domestic product converted to international dollars using purchasing power parity rates.

## **Land**

GDP is the sum of gross value added by all resident producers in the economy plus any product taxes and minus any subsidies not included in the value of the products. Direct investment excludes investment through purchase of shares. The Cypriot debt-to-GDP ratio is on this background now forecasted only to peak at 126% in 2015 and subsequently decline to 105% in 2020, and thus considered to remain within sustainable territory.

## **Land**

When, as a negative repercussion of the Great Recession, the relatively fragile banking sector had suffered large capital losses, most states in Europe had to bail out several of their most affected banks with some supporting recapitalization loans, because of the strong linkage between their survival and the financial stability of the economy. These have included analyses of examples in several countries the United Kingdom, Spain, the United States, and even Germany. Speculators and jobbers waxed fat on government money, the collection of federal revenues offered large opportunities for graft.
