## How To Review a Book

A little too short is probably better than a little too long. This is not always the case as some books are written for just about anyone think, for example, of; but most books do have a defined audience. Followers of Pinnock on this issue prefer to envision reason as operating within a tradition, a context, a culture, rather than operating as somehow external and neutral to what they see.

## Revitalizing Theological Epistemology: Holistic Evangelical Approaches to the Knowledge of God

A rather acrimonious divorce is underway between evangelical theology and foundationalism--especi. So today let me share just a few pointers for those who are considering writing reviews for a medium similar to this one. He wonders if the Christian faith should continue to be presented and defended mainly according to Enlightenment principles when growing criticism of modern thought is affecting virtually every discipline, and if evangelicalism and its intellectual leaders ought to wait it out or whether they should re-vision their theology.

## Revitalizing Theological Epistemology: Holistic Evangelical Approaches to the Knowledge of God on JSTOR

I got into writing reviews over 500 book reviews ago now by circumstance more than skill; I had a blog, I read a lot, and book reviews just started to happen.

## Steve Sherman

Almost by definition, the people who read this site share at least some of my interests and so what is of interest to me is of interest to them.
