## My Talks With Dean Spanley (January 30, 2001 edition)

Growing up in Australia the boy scouts were taught that, in the case of a snake attack, a cut should be made into the wound with a pen knife and the poison sucked out. To me, the most enjoyable passages were when the Dean got into his cups and we, the reader, then catch a rare glimpse of what it might be like to be a dog. This is a case where an author had a clever plot idea but lacked the ability to carry it off.
