Saying YA RASOOLALLAH Allowed or Not?

It was in 1988 that he began learning the basics of English and German. Their hearts will be like fragments of iron.

Qayyūm al

Since he was four-years-old, Shaykh Muhammad accompanied his father in all of his visits, gatherings, and classes, both public and private, as well as at home and outside. Since then, he has been frequenting North America and is now hosted by Zaytuna Institute in California where he has been teaching since the past year. That same year, he began teaching Maliki fiqh at the Institute of the Students of Sacred Knowledge which is now the Institute of Sheikh BadrudDeen al-Hasani.

Qayyūm al

The company of his father exposed him to a wealth of light, wisdom, and knowledge, an experience that was far beyond what one may attain from books or from occasional meetings with teachers. Besides working in Syria and Sweden, Shaykh Muhammad participated in conferences, delivered lectures, and gave Friday speeches in Lebanon, Egypt, Jordan, Kuwait, Saudi Arabia, Algeria, Denmark, Finland, Norway, Switzerland, Germany, France, Spain, England, Canada, and the United States. His father took care of him and was both his teacher and spiritual master.
