## The Alchemist, Nottingham

Download the WIND app 2. Unfortunately, many are not able to be barcoded directly due to age, fragility, historic bindings etc. We hope to resume our sessions some time in 2021.

## The Nottingham Project: Who's who on the board working to revision the city

Providing a comprehensive service for non-domestic buildings, we provide independent Energy Audits from Air-Conditioning Assessments to EPCs, DECs and ESOS Phase 2 Compliance.

## Nottingham Contemporary

Noli Chocs have the happy coincidence that they are also dairy, wheat and gluten free so more people can enjoy the exquisite taste of proper chocolates. There is a large common area between the book conservation project and this in terms of conservation issues and techniques. Pioneering 3D Community Interaction Model Created by IES to Visualise Real-time Energy Data Online and Via 147 Inch Touch Screen.

## Nottingham's Guildhall hotel development to...

Before starting any project, the volunteers have to have appropriate training and in this case provided by Mary Sleigh, a professional textile artist who has an interest in conserving and making church vestments. Whether using the online platform or the 147 Inch Touch Screen, residents can move virtually around the real-life site, see it from different angles, see how much energy is being generated and the charging state of the battery in real-time. RAWSON PHOTGRAPHY Ben is a local photographer who has been in business a little over 2 years.

## Going wild? A radical green plan for Nottingham's unloved shopping centre

Sutton Bonington: North Lab Redevelopment The North Lab building is currently undergoing extensive refurbishment and extension which includes the second phase of the STEM Lab HEFCE funded project. Media ownership in Australia is one of the most concentrated in the world. A Tudor

Exhibition was scheduled at Wollaton Hall this autumn, but this has not taken place for obvious reasons.

### **Fit Out Contractor & Commercial Design in Nottingham**

The aim is to make energy easy and compelling to understand, in order to realise its potential as essential for wellbeing and resilience rather than an unseen part of daily life with limited benefits to society or sustainability.

### **Nottingham Castle**
