How to create a user journey map

You want to create memorable first impressions and deliver differentiated buying experiences to your customer? Also, it helps you improve all touchpoints.

What is Customer Journey Map?

We interviewed them in the workshops. This is especially important with digital products and services.

How to Make a Customer Journey Map

Ideally, these are customer verbatims from research.

Journey Mapping 101

Customer History In addition to knowing who the customer is, you need to know their impression of your company and why they feel that way.

Roadtrippers

Next, the timeline is fleshed out with user thoughts and emotions in order to create a narrative. And the good news is that there is a customer journey map and a service blueprint among them.
