Park Chung

Later the United States recognized Chun Doo-hwan's legitimacy on the condition of his abandoning the nuclear weapons program

BBC ON THIS DAY

South Korean President Park Chung-hee is part of an extremely small fraternity—he is a demised despot with a positive legacy. One of the first projects of the Park regime was the building of the Seoul-Pusan highway. He did anything and everything he could to succeed, even if it meant violating human rights.

Park Chung Hee: Former Dictator of South Korea

I will stop them with tanks if I have to.

Assassination of Park Chung

He told his lawyer that his first attempt to assassinate Park was on September 14, 1974, when he was appointed to be Minister of Construction. The aftermath of a coup attempt is seldom tidy. Denouement President Park remains a controversial yet revered figure in South Korean culture.

Portrait of the President of South Korea Park Chung

The citizens who spoke their mind and who were against Park were tortured in unspeakably ruthless ways. He won admission to a two-year training program in Manchukuo, the Japanese puppet state in Manchuria, and graduated at the top of his class. Koreans stuck to their traditional way of life without knowing what was going on outside the country.

Profile: President Park Geun

This was a shift in orientation.

Of Dictators, Assassins, and Friends

In the NDP's election of its chairman in 1979, KCIA backed to prevent the election of hardliner Kim Young Sam, but Cha interfered in KCIA's political sabotage with its own behind-the-scenes maneuverings. The United States Government...wishes to make clear that it will react strongly in accordance with its treaty obligations to the Republic of Korea to any external attempt to exploit the situation in the Republic of Korea.
