### Description: Al

I read it verse by verse and asked him about each verse's occasion of revelation and tafsīr. If we order the title that you suggested, check the library catalog to place a hold on it.

### EPISTEMOLOGY OF THE ESOTERIC INTERPRETATION OF THE QUR'AN (Study about Ta'wil al

In some cases, Imam al-Baqir talked about abrogating and abrogated verses and expounded jurisprudential aspects of the Quran. The commentator gathers different verses that related to a certain topic, presents the Quranic view of that topic based on his interpretation of all those verses—thus explaining the viewpoint of the Quran on that topic—and organizes his tafsīr based on the themes he discusses. Yogyakarta: Penerbit PT Kanisius, 2015.

### Al Balāgh Takhaṣṣuṣ Fi'l

Buhūth fi uṣūl al-tafsīr wa manāhi juh. Almost all classical Quranic commentaries employed this style. According to a hadith from , the Prophet s taught Ali a the exoteric and esoteric interpretation of the Quran, including its general and specific, manifest and ambiguous, and abrogating and abrogated verses.

### Atyab al

In the generation after the Followers, an even greater number of Shiites engaged in tafsīr and produce exegetical works. First is the exegesis in which the commentator is concerned about collecting historical narratives and stories related to each verse.

### Staff view: Jāmi' al

The only difference was that they would use more hadiths in their commentaries. Among the major Quranic commentaries are , , , , and.

### Professor Dr. Omar Hamdan

Translated by 'Umar Lutfi al-Ālam. Historical Exegesis Historical exegesis can refer to two different types of exegesis. Students are required to fill the admission requirements as required by relevant universities.

**EPISTEMOLOGY OF THE ESOTERIC INTERPRETATION OF THE QUR'AN (Study about Ta'wil al**

Tehran: Cultural Researches Institution, 1982. Master Degree Al Balagh will facilitate the degree programme for Takhasus students. Quraish Shihab Sebagai Kepemimpinan Pengembangan Pendidikan Islam
