respecting the nature of the programming are in decline.

## The 'Netflix of sports' to launch in Canada in North American debut: sources

On average, Americans watch four hours of television per day. His design was one of the first to demonstrate a television system with all the features of modern picture tubes. It appeared Minister Conroy was amenable to the advice of those who considered it unwise to try to fix something that was already broken.

## The 'Netflix of sports' to launch in Canada in North American debut: sources

The view of Managing Director of SBS in 2003, Nigel Milan, while clearly phrased from the perspective of a free-to-air broadcaster, is worth noting. The retention period associated with this information would be consistent with the general subject files wherein they are stored. It led Williams to speculate that a possible solution may be to force people to purchase digital sets by setting a date beyond which retailers would not be allowed to sell analogue televisions.

## Pay television — Wikipedia Republished // WIKI 2

No doubt Telstra believed this alternative would more likely protect its investments in data and online services, the broadband network and pay television.

## Gallup Vault: The Birth of Pay Television

Specialty television accounted for 20% of views, compared with 13% for conventional television and 5% for video-on-demand services.
