What is the political economic and legal system of Bangladesh?

For most rural families the importance of women's labor made full seclusion impossible, although the idea remained. An informal council of shomaj elders matobtors or shordars settles village disputes.

Bangladeshi society

About 75 percent of the Hindus in Bangladesh belonged to the lower castes, notably lesser cultivators , and the remainder belonged primarily to outcaste or groups.

Bangladesh Politics, government, and taxation, Information about Politics, government, and taxation in Bangladesh

The BNP won the February 1996 parliamentary election, which was boycotted by the AL-led opposition.

Review: [Untitled] on JSTOR

For the first time in decades the Bangladeshi government had brought a sense of stability to the country.

This time the Awami Party significantly moderated its position, supporting a gradual liberalization of the national economy, encouraging private entrepreneurship, and advocating the secular state; it had largely abandoned socialist ideas. He is contributing as a major political leader in this party.
