AP fact check: Romney oversimplifies Western water shortage

Domestic water use per capita in Utah was the second-highest in the country in 2015, according to a report from the Utah Geological Survey. Developers have to provide the city of Santa Fe with estimates of how much water new residential or commercial buildings will require. Mace said the plan is being implemented as water demands in the state continue to grow.

Water Shortages in the U.S.

When she was just 15, Deepika Kurup used zinc oxide and titanium dioxide in containers that expose it to ultraviolet radiation and cleanse the water, making it suitable to drink. The Denver Water Utility launched a humorous ad campaign to popularize conservation.

Water shortage hits Manda airport, stalls operations

Changing weather patterns, overpopulation and inefficient usage can all lead to a loss of water access.

Water shortage hits Manda airport, stalls operations

Written by LINDSAY WHITEHURST, Associated Press. Stateline is a nonpartisan, nonprofit news service of the Pew Charitable Trusts that provides daily reporting and analysis on trends in state policy.

States With Water Shortages: Who Is Affected By the US Drought Crisis?

How Does the United States Use Water? Just two more years like 2020 could set off a chain of damaging consequences.
