### Elizabeth Myers (Author of A Well Full of Leaves)

Represented a workforce management solutions company and obtained dismissal of a lawsuit brought against it by a non-employee following a traumatic workplace injury. Across a diverse range of industries and a variety of claims, Elizabeth has helped companies and individuals achieve impactful results in state and federal litigation and appeals.

### Elizabeth Myers

Also, we cannot treat unsolicited information as confidential. Elizabeth uses a hands-off approach which means she does not need to touch you or hover over you as she works. Obtained an asylum grant on behalf of a Honduran woman who had suffered extreme domestic violence in Honduras and her young daughter.

### Elizabeth Myers (Author of A Well Full of Leaves)

Representative Experience Defended an air ambulance service provider in consumer class actions pending in several states. She participated in most aspects of the planning and logistics related to the new Neilson Library building over the seven years of the building project.

### Elizabeth A. Myers

Elizabeth is so incredible at what she does.

### Healings by Elizabeth

I wanted to look my best and feel my best, and each time I look at my photos I feel like I belong in a magazine. Successfully defended certain directors of an offshore oil drilling company against shareholder derivative litigation relating to alleged Foreign Corrupt Practices Act violations and shareholder claims challenging a proposed merger. Defended a global oil and gas company in a lawsuit brought by family members of a contractor's employee who died while working in the delayed coking unit at a refinery facility.

### Welcome

As a mental health counselor, Elizabeth A. We had music going and we were chatting away like we had known each other for years.
