The Folk Handbook / Old Wine New Skins

The way Jesus saw the world is crucial to understanding and living in the new paradigm, the new wineskin.

Following Jesus Today: New Wine and New Wineskins

According to a former bureaucrat who had served in the Establishment Division and is well versed with the civil service laws, most of the reforms introduced by the PTI government were chalked out in the Musharraf era and had created unrest among the bureaucracy. 14. New Wine in Old Wineskins (Luke 5:33)

The wine has been made a certain way for centuries, and maintaining this tradition is given priority. The terms Old World Wine and New World Wine are ones that you might have encountered on the wine-soaked lips of your peers, yet as simple as they may seem, understanding what it actually means when someone describes a wine as being can be quite confusing.

What Did Jesus Mean by “Old and New Wineskins”?

No, new wine must be poured into new wineskins. For those of us who always have a bottle of water in our bag, it's hard to imagine what it would have been like to carry a goat skin filled with water or wine. As we replace old patterns with new ones and use them, not as temporary measures but as permanent changes, we become transformed.
