It is clear that a number of graves have been situated here, the question in hand is whether we are seeing a family plot being repeatedly re-opened, or an inter-cutting sequence of individual burials.

## Overviews

Barclay, Lorraine Mepham and Chris J.

## East Midlands Wiki: Bibliography

We learn that after working for a charitable trust for the handicapped he is now completing his theological training at Westcott House.

## Tanning in the Seventeenth Century

Hassall XXXVII 245 1972 Excavations in St. Although Hyson, Soughong, and Congo, the names inscribed on the canister in figure 22, may have been favored, there were many other types of tea, as the following advertisement from the Boston News-Letter of September 16, 1736, indicates: To be Sold. When searching for a document, the worker, like an archaeologist, uses time and context to guide him.

## **Oxoniensia Volumes**

The next phase of occupation was characterised by early-mid Saxon sunken-featured-buildings, five of which were identified.
