## Administering Early Childhood Settings the Canadian Perspective

Our profession is faced with many challenges, and will continue to be in the future, but it is good to know we have a strong base underpinning our practice.

## Forest Schools: A Philosophy of Child

This guide will serve as a long-term resource for employees as they grow in the profession. A recent UK study found that about 51% of infants 6- to 11-months-old use a touch screen daily.

## Professionalism in early childhood care and education

SOCS 1000 - Introduction to Sociology This survey course focuses on the major sociological concepts and theoretical perspectives. These challenges need to be addressed and will rely on the continued work, collaboration and advocacy of all levels of government including Indigenous governments , organizations, communities and individuals. However, it also found that reading was the least-common activity children engaged in on tablets or mobile devices.
