Tangled Vines

Frederick, her aunts neighbour, is about to loose his beloved company. This will be my go to book for gifts for my wine loving friends.

Tangled Vines: Greed, Murder, Obsession, and an Arsonist in the Vineyards of California

It truly is a mix of vivid and fascinating characters, saga, drama and romance, in which I couldn't put down. Amelia and Fredrick's chemistry sizzled off the pages and I couldn't rest until I found out whether or not they received that sort after happy ending. Thank you, Megan Mayfair and RachelsRandomResources.

Book Review: Tangled Vines: Greed, Murder, Obsession, and an Arsonist in the Vineyards of California by Frances Dinkelspiel

'Tangled Vines': A stunning look at dark side of wine

I thoroughly enjoyed Julia Flynn Siler's House of Mondavi which I read back in 2008. The beautiful first book of this series, The Scavenger's Daughters, has continued in beauty, finesse, and wonder into the second book of this series. On October 12, 2005, a massive fire broke out in the Wines Central wine warehouse in Vallejo, California.
