## Remaining Seized of the Matter: UN Resolutions and Peace Implementation

As it had been sheltered by and relied on United Nations peacekeepers, Cyprus could attest to the valuable role of those missions and the need to ensure that their mandates remained indispensable. She believes that reconstruction efforts would be significantly strengthened if women were given roles in all aspects of postwar reconstruction.

### Preventing conflicts

Noting that the 2030 Agenda would be fundamental to implementing sustaining peace, he said achieving those goals, in turn, was a precondition for

achieving sustainable peace worldwide. The study is particularly important in view of the fact that, for a number of reasons migration, terrorism, the V4 countries are preparing for greater engagement in Africa, one area of which is peace-support operations. It is therefore necessary to focus on the broader picture by examining the content and the context of the new policy framework, which, in our view, still remains in the exclusive province of AU bureaucrats and governments of member states.

## **CHALLENGES FOR PEACE RESEARCHERS AND PEACE BUILDERS IN THE TWENTY**

The essential elements are: 1 an in-depth understanding of the conflict based on sustained contact and relationships on the ground; 2 timing of the intervention; 3 leverage over the key conflict actors; and 4 credibility of the mediator.
