access to agricultural input and output markets, land markets, and finance, tends to be inefficient and unresponsive to changes in market conditions, and also favor a privileged few. STATEMENT OF THE PROBLEM Some factors leads to the high flow of rural-urban migration such as: 1.

Effects Of Rural

Rural development fosters the modernization of the rural society and integrates its traditional isolation with the national economy. The 20 twenty political wards include: 1. The Agricultural Development Projects In 1972, the World Bank, the State Governments of North West and North Central together with the Federal Ministry of Agriculture started investigations for searching the best suitable lands for the Agricultural

Development Projects.

Problem and Prospect of Rural Development in Nigeria

It provided financial and technical support through the development stages of agricultural projects. In states like Adamawa, with rich, arable land, rural areas are a key part of the economy.
