## Southeast Asia Essays

Daily life and social customs Life in the Philippines generally revolves around the , including parents, grandparents, aunts, uncles, cousins up to several times removed , and other relatives. Oxford: Oxford University Press, 1999. Without knowing our identity, we do not exist; people are born to serve their native land as well as the word of God, and I believe it is equally important.

## Zalcita, Fernando N.

Nakpil, Otilio Arellano, Fernando Ocampo, Leandro Locsin, Juan Arellano, Carlos Arguelles, and Tomas Mapua. A growing number of artists, such as Joey Ayala, have been creating innovative syntheses of indigenous Philippine traditions—such as kulintang—and form

## Managing Metro Manila

With its many temples blending Hindu and Buddhist iconography, Angkor reflected the creative tension of a multicultural empire in its spectacular architecture. The city also acts as an incubator for the culture of the people.

## Culture Identity: Asian Culture

Their very ability in understanding and writing in the language-of-power sets them apart and excludes them, as it were, from the discourse going on among the populace at large Rafael 199. Empire At The Margins: Culture, Ethnicity, and Frontier In Early Modern China. Of particular interest is what these mappings of literature have to say about issues of space and place, which in turn reveal assumptions about history and structure in the making and understanding of cultural identity.
