Borgia was wealthy and powerful enough to mount a bid in 1484, but he faced competition from , the late pope's nephew.

Rodrigo Borgia

Die erste dieser Aussagen ist in sich widersprüchlich. Opponents, such as the powerful demagogic Florentine friar , launched invectives against papal corruption and appealed for a general council to confront the papal abuses. He was prepared to compromise upon all purely human questions, but inflexible upon whatever concerned the rights of religion.
