One of his most recent articles was published in The New York Times.

## See 12 Stunning Portraits of World War II Veterans

In June, however, Pakistani UN peacekeepers were ambushed by militias loyal to Somali warlord General Mohammad Farrah Aidid, and 24 UN soldiers from Pakistan were killed. This means no joke comments. It was quite a lively place and there is a huge yard.

**My grandfather in 1944, age 21, on a brief reprieve prior to disembarking from Norfolk, VA for the Pacific aboard the USS Missouri. He and his fellow sailors would later be witness to the signing of the Japanese Instrument of Surrender, which marked the end of World War II. : The Way We Were**

For example, you may wish to put the transcription on a web site. Some people may not enjoy writing out complete and thoughtful answers. That scene fucked me up for a long time when I was a kid.
