### **Dolci Toscani: The Book Of Tuscan Desserts: Bianchi, Anne: 9780880015875: public-docs.talentcoach.ir: Books**

These pieces focus on attitudes as integral to the notoriously rigid and whiny Tuscan character as the region's legendary obsession with eating well.

#### **Espresso Flan**

Sift in the cake flour and baking powder and mix until well blended. It is make-ahead which I love and it was fabulous. The sweet part consists of 126 recipes for mostly traditional Tuscan desserts.

With that in mind, I told Tom to take copious notes and maybe I would give one of these recipes a whirl.

#### **Dessert Recipe Collection**

One look at the savoiardi recipe's ingredient proportions and you can tell you wouldn't get a batter in the end, but enriched powder. The Bomber is ... Best. There is a great variety of recipes, and each recipe has a very helpful scale next to it describing the level of difficulty and preparation time, but I give the book only three stars because I have had varied success with the recipes.

#### **Dolci Toscani**

For the cook as well as the armchair traveler, Lidia's Italy is a rich and satisfying gastronomic journey through Italy.
