To make the effort more manageable, the World Trade Center site was divided into four quadrants or zones. Yahoo is part of Verizon Media. Some structural engineers have criticized the decision to recycle the steel from the buildings before it could be analyzed as part of the post-collapse investigation.

### Massive search effort results in safe recovery of abducted children

Following the attacks, five Coast Guard cutters, 12 small boats, and more than 100 public and private vessels maneuvered around the waters off Manhattan to rescue people off the sea walls, parks, and piers. By Friday, rescue and reliefs were organized and administered from Pier 92 on the Hudson River. Crew members provided food and shelter for more than 10,000 relief workers.
