One of the most sought after spices was pepper. A brief history of the UK Parliament.

### **Life in Elizabethan England 23: Ranks and Files**

Any imported foods were expensive and out of the reach of Lower classes and used primarily by the monarch and nobility classes.

### **The Elizabethan Religious Settlement**

Know I accept them with no less joy than your loves can have desire to offer such a present, and do more esteem it than any treasure or riches; for those we know how to prize, but loyalty, love and thanks, I account them invaluable. This English Renaissance saw the flowering of poetry, music and literature. This class of people was prosperous and sometimes their wealth could exceed those of the gentry, but the difference was how they spent their wealth.
