Egypt's new subsidy system tackles bread consumption

Bloomington: Indiana University Press, 1996. The regime had placed blame for the riots on Communist agitators, but Soliman argues civil servants and those who expected to join the civil service etc. Each subsequent year saw a significant rise in the annual deficit, from 249.

[PDF] The Egyptian food subsidy system: structure, performance, and options for reform.

CAMBRIDGE — Few policies place good economics so directly at odds with good politics as subsidies for food and energy. The responses have ranged from national public and private and international agency food aid to intellectual interventions, to changes or lack of changes in the domestic and international policies of countries not threatened by famine. Roots of crisis in the Third World.
