The Flathead Watershed

Prior to his appointment, Patrick served as the Chief of Staff to the Under Secretary for Natural Resources and Environment. Heidi McMaster, US Bureau of Reclamation Pacific Northwest Regional Hazmat and Invasive Species Coordinator McMaster previously worked in the Lower Colorado Regional Office for the Bureau of Reclamation for 7 years before taking moving the Pacific Northwest.

Watercraft Inspection Stations Open in Northwest Montana

She has worked with the Confederated Salish and Kootenai Tribes as a Pesticide Specialist since 2009; since 2010 has been one of a few to hold United States Environmental Protection Agency Agent Federal Credentials to conduct pesticide inspections in regards to the Federal Insecticide, Fungicide, and Rodenticide Act FIFRA the national law that regulates pesticide use for the protection of applicators, the community and the environment. Martin was elected as the Pablo District Council representative in 2019 and started his term in 2020. He was a co-coordinator of the second and third editions of the Montana Lake Book.

Flathead River

He and his wife have six children and eighteen grandchildren. All watercraft traveling west over the Continental Divide into western Montana the Columbia River Basin are required to undergo an inspection as well. He moved on to the Northwest Power and Conservation Council where for 9 years he served as a policy analyst on hydro operations and fish mitigation.

Flathead River

It was here that he developed his organizational and communication skills and a desire to get involved in politics on a local level.

Flathead National Forest

Hungry Horse Ranger District lobby is currently closed to visitors, but they will meet you at the door for service. Over the course of 22 years in Alaska, Jeff served as a law enforcement ranger, Chief Ranger, Management Assistant, and Superintendent across seven NPS units.

Flathead National Forest

Near the river leaves the natural basin of Flathead Lake, but first passes through , which maintains the level of Flathead Lake artificially.
