## Review of A History of Christianity in Africa: From Antiquity to the Present

Isichei opens with the brilliance of Christianity in Africa in antiquity and shows how Christian Egypt and North Africa produced some of the most influential intellects of the time. Stamp seals and tokens used for economic transactions uncovered by the archaeologists point to the cosmopolitan nature of the settlement. I appreciate it and the historiography it contains and will assign some chapters to my students.

## A History Of Christianity In Africa From Antiquity To The Present PDF Book

Finally, the book of Acts records that following the apostles missionary journey to Cyprus, new converts from Cyprus and Cyrene preached the Gospel to the Greeks of Antioch. Written by Elizabeth Isichei, a leading scholar in this field, A History of Christianity in Africa examines the origins and development of Christianity in Africa from the early story of Egyptian Christianity to the spectacular growth, vitality, and diversity of the churches in Africa. This unprecedented work is the first one-volume study of the history of Christianity in Africa.

## The Origin And Growth Of Christianity In Africa

The location, close to the modern-day border with Eritrea and 70 miles to the southwest of the Red Sea, appealed to the archaeologists in part because it was also home to temples built in a southern Arabian style dating back many centuries before the rise of Aksum, a clear sign of ancient ties to the Arabian Peninsula. The bibliography provides a series of illuminating bibliographic essays on a wide range of subjects.

## Review of A History of Christianity in Africa: From Antiquity to the Present

At first, but grew more fraught over time.

## **A History of Christianity in Africa: From Antiquity to the Present**

Focuses on the influences of Africans and African ideas on the mission enterprise, conversion, religious innovation, and church life, but it neglects to cover the earlier history of the northern African church as well as the profusion of Christian movements since 1950. This text by a notable scholar of both Christianity and Islam concentrates on the religious dimensions of West African Christianity and the roles of both missionaries and Africans in its spread and development. *The Church in Africa, 1450—1950.*
