## Halifax, the smart city (1999 edition)

ICTC invites all Halifax Municipality Residents to a public virtual forum to discuss the notion of a smart Halifax. This event is open to all HRM residents eager to share their insight, experiences, and engage with one another on this important topic.

### Satin Nickel Halifax Lever (Square)

By providing evidence-based foresight, we help decision-makers navigate the intersection of public policy, societal challenges, and digital trends to cultivate shared prosperity. Please join us on March 30th, from 3:00 pm to 4:30 pm, to discuss these important questions, engage with others, and offer your thoughts and suggestions on what your ideal future urban space should look like.

### Halifax: A Smart City

The Digital Think Tank by ICTC strives to shape a vibrant and equitable digital future. Waterfront campus accommodates 1,700 to 1,800 students.

Source: 2006 Census of Canada, Nova Scotia Perspective, Release 7, Nova Scotia Department of Finance, Statistics Division 3. We want to hear from you, HRM residents! Improvements in system reliability, increased energy efficiency, lower operational costs, extended equipment lifespans, and enhanced citizen safety and quality of life have all been cited by Halifax officials as reasons behind the new network system employment Other global cities that have adopted similar intelligent lighting networks include Chicago, Copenhagen, Glasgow, Paris, San Francisco, Sao Paulo, Singapore and Washington D.

### Halifax: The Smart City (The Canadian Enterprise Series): Walker, Ann Graham, Pincock, Marilyn, D'Entremont, Jocelin, Flemming, Brian: 9781885352934: public-docs.talentcoach.ir: Books

On March 30th, 2021, the Information and Communications Technology Council ICTC will be holding a public virtual forum over ZOOM to openly discuss the notion of a smart Halifax.

## **Halifax Smart Cities Community Event**

By closing this banner or by continuing to use Eventbrite, you agree. Halifax, the capital of Nova Scotia, is the most dynamic business hub in Atlantic Canada.

## **Halifax Smart Cities Community Event**

The future of clean-tech is bright and we look forward to continued innovation and success on the global stage. Our smart street lighting products are used worldwide in over 60 countries. Greater Halifax: A Smart City November, 2010 2.

### **Satin Nickel Halifax Lever (Square)**

Halifax is a major North American centre for marine, air, rail, trucking and logistics — capable of delivering products and services around the world. On March 30th, 2021, the Information and Communications Technology Council ICTC will be holding a public virtual forum over ZOOM to openly discuss the notion of a smart Halifax.
