**Book List for the Trinity Bay District**

We had a fire similar to that on a ship's deck, in the centre of the store, to protect us from the weather, which was extremely cold, and, although there was no provision for the escape of the smoke, the building was so spacious, that we suffered little inconvenience. Our Indian guide, while he was in search of deer, nearly lost all track of us, when, our allowance of food being exceedingly scanty, our situation seemed likely to be very deplorable. Review of the spruce budworm outbreak in Newfoundland — its control and forest management implications: Canadian
