## Aesthetics

Yet by referencing brain sciences in his definition of the visual, he indicates his willingness to engage with scientific scholarship. The existentialist philosophers did not refrain from formulating internal aesthetic and external ethical and political constraints to artistic practice, but their aesthetics fundamentally proclaims the radical freedom of the artist, also seeing in it the privileged exemplar of human freedom in general.

## Reclaiming Experience: The Aesthetic and Multimodal Composition

There is no purer sensation. The first research theme includes medium-specific theories of interactive aesthetics. We start by delineating the importance of visual aesthetics to HCI from three perspectives.

So, art created as art, aesthetic exp.

### Aesthetic Experience, Subjective Historical Experience and the Problem of Constructivism in: Journal of the Philosophy of History Volume 7 Issue 1 (2013)

It abjures phenomenalist disinterestedness for the sake of phenomenological involvement. Although subject matters transcend the individual works which embody them, they do not exist apart from their historical embodiments but, unlike Platonic forms, they do not transcend history but mutate and develop ever new permutations. However, contrary to previous findings involving the mere exposure effect, some cognition evidently did take place.
