## Diversity, Equity, & Inclusion 101

Normal delivery time is 5-12 days. With both metaphors, cultural context and systematic barriers that marginalized persons are subjected to are not considered; understand that these concepts are bigger than having shoes that fit or breaking down a fence. The benefits are far reaching—from increasing attendance to building a positive rapport and respect among all those in class.

## Inclusive education

Students enrolled in Queensland state schools come from diverse social, cultural, geographic and family backgrounds, are of many identities, and of all abilities. An estimated 93 million children worldwide live with disabilities.

Using cross-nationally comparable and nationally representative data from 18 surveys in 15 countries, this paper investigates how disability affects school attendance. The topics of diversity and inclusion can and should be part of all college classes.

## Inclusive education

These are the people who are happy being given spoken instructions over the telephone, and can remember all the words to songs that they hear! Dialogue is critical to growth. Give credit where it is due and do not take up space by speaking for a community that you are not a part of.
