Therefore, you will definitely want to buy at least one external microphone or headset including a microphone. Yes, I made that rule up, but you still want to have two videoconferencing services you can use in case you have to go to Plan B. Growing your network helps with finding referral sources, mentors, new jobs, and building your personal brand.

It does automatically display the video of anyone speaking or rattling the papers on their desk too loudly and I have seen confusion more than once as someone thought another lawyer left the meeting because they were not featured in the favored nine. While the camera built into your laptop may be a good camera, the microphone built into your laptop is probably a lower grade. County of Carlton Law Association, The CCLA Diversity Committee, in collaboration with the CABL Ottawa Committee and the FACL Ottawa Committee, is hosting a webinar panel discussion on anti-racism in the legal profession.
