## Andrade Gutierrez's Bonds Jump on CCR Stake Sale

The structure of the transaction took place through participation investment funds, such as the FIP Melbourne, in which Cemig GT — along with pension funds — invests. The Consent Solicitation is not being made in any jurisdiction in which, or to or from any person to or from whom, it is unlawful to make such solicitation under applicable state or foreign securities or blue sky laws. The Company received the requisite consents from Holders, and such consents had not been validly revoked, prior to the Expiration Date.
