The ending paragraph or so is quite an irritating dry summary. He has a daughter, an oh-so-beautiful daughter, named Patience.

### The children of the New Forest (1896 edition)

I am not quite so fiery as the old man thinks; and if my bosom burns with indignation, at all events I have sufficient power to conceal my feelings when it is necessary.

### Thriller Comics 038

It is impossible to get within shot of the others without passing a bull, and depend upon it our passage will be disputed; and moreover, the herd will take to flight, and we shall get nothing at all. In the centre he perceived, through the trees, a small cleared spot, covered with high fern, and felt certain that the stag was lying there.

### The Children of the New Forest by Frederick Marryat

As the children adapt to life in the forest they are faced with increasing danger due to the worsening effects of the Civil War, and this is all lively adventure for young people, with a good measure of balance in the summing up of the historical context. No, no, Mr Edward; you must do as I say, and lose no time.

To-morrow we will cut some grass for her. Humphrey hesitated, and at last decided upon attempting to cross it. This was human nature; and much as Jacob Armitage would expostulate with him, and try to divert his feelings into other channels; long as he would preach to him about forgiveness of injuries, and patience until better times should come, Edward could not help brooding over these thoughts, and if ever there was a breast animated with intense hatred against the Puritans it was that of Edward Beverley.
