Notgeld

This period of issue came to a close in 1919. As part of the effort to stabilize the currency, the government was aggressive in curtailing the use of notgeld. As the war progressed, notgeld issued by both municipalities and private businesses became an integral part of the war economy.

Notgeld

Use a dash to exclude the coins matching with a word or expression. The shortages, along with a general sense of insecurity, led to hoarding of coins which in turn made the shortages worse. Signed by Lord Mayor , later the first chancellor of the.

German Notgeld

Among the issuing authorities were companies and local. These issues incorporated pleasing designs, and a new reason for hoarding came into being. Notgeld is different from that is issued by an occupying army during a war.

public-docs.talentcoach.ir

Also plenty of stamps were issued during the inflation for values up to 50 Milliarden Mark. This field of collecting may include World War II issues, though this covers only notes circulated in , as the German in charge of prisoners of war prepared a general issue of notes for all camps under their direction.

Notgeld: German Emergency Money 1914

On the other hand, the freewheeling production of the period produced a uniquely German body of work that is of tremendous historical value.

German Notgeld

Despite the work done to-date, there remain many opportunities for further study.
