September 2018 Mohammed Raja'a Abdel Mo'min Al-Naqqash Arabic: رجاء النقاش , often referred to simply as Raja'a Al-Naqqash, was an Egyptian literary critic, intellectual, and journalist. The authoritarian rule which was established in Egypt by Nasser in the early 1950s appears to have been preserved to date, not simply as a result of the immense powers which Nasser vested in the office of the presidency, but, more subtly, as a result of the clientistic co-option strategy adopted by his successors, Sadat and Mubarak.
