### What is Greater Than?

Students writing research papers or newspapers quoting parts of speeches will often employ ellipsis to avoid copying lengthy text that is not needed. The :- notation is known as a smiley, and means that the statement it follows was intended as humor.

### Less

This would be a specific example where could outweigh anything in the contract, express or implied: it simply does not matter what disclaimer or limitations may be found in the contract, if the contract is void or voidable for any reason. One of the most important silent films of all time, The Four Horsemen of the Apocalypse established actor Rudolph Valentino as a superstar, inspired a tango craze, and beat out Charlie Chaplin's The Kid to become the highest-grossing film of 1921.

### Abbreviations and acronyms dictionary

In poker and other games, to put up chips or money as one's bet.

### What do :

The mechanically gifted 10th child of a French glove-maker, Vaucanson created some of the world's first robots.
