The Philosophy of History: An Introduction by Mark Day

Such individuals have no consciousness of the Idea as such.

Philosophy of History: Summary

If this were to occur, the state would have become the tool of reason, and by extension of universal spirit. Freedom is nothing but the recognition and adoption of such universal substantial objects as Right and Law and the production of a reality which is in accordance with them—the State.

Mark Day, The Philosophy of History: An Introduction

Similarly, and on the opposite extreme, radical libertarians are wrong. This variety of cultures concerns thinking Reason, freedom whose self-

consciousness Reason is and which springs from the same root as Thought.
