The north has a subarctic climate and the south has a tropical climate. Today, temples throughout China host a variety of religions including: Buddhism, Daoism, Heaven worship, Islam, and Chinese folk religion.

Chinese Language

The first tone ˉ has a high pitch. It is celebrated on the last day of the year with fireworks and family reunions.

Mandarin Chinese Pinyin Chart with Audio

There are several sublanguages as well: Gan, Huainan, Jin, Kejia or Hakka, Min, Pinghua, Tiawanese, Wu or Shanghaiese, Xiang or Hunanese, and Yue or Cantonese. The festivities continue into the next day where they celebrate the Spring Festival with even more fireworks. It meets yearly for 2 weeks to approve new policy, laws, and the budget.

注音符號與拼音對照表

The Mid-Autumn festival is on the fifteenth day of the eighth month and they eat mooncake based on the legend of Chang. On the ninth day of the ninth lunar month they celebrate the Double Ninth Festival as a sort of second memorial day. The second tone ' rises from mid to high.
