Why The United States of America Is Not United

Chicago, for instance, is the city with the second largest ethnic Polish population in the world, behind.

Proud to be American

Other options include music festivals such has or in. The region is known for it's turbulent civil war history, and is marked by a number of modern and older, colonial cities and towns, including music mecca , the bluegrass region and bourbon country around , the bohemian mountain city of , and the slow moving, garden-full coastal city of , among many others. Its land borders are shared with to the north, and to the south.

U.S. Immigration Timeline

Some, including the Pilgrims and Puritans, came for religious freedom. How big of a fingerprint? As a result, the process has fragmented, mostly due to new technology.

Official list of embassies from the U.S. Department of State

Remember the 40 acres and a mule? As such, the vast majority of the population live in urban centers.

List of presidents of the United States

It differs from the pre-Collapse in the area of freedom. Its willingness to take the lead in defending democracies whenever they are threatened, as was the case with Western Europe during the Cold War, and of getting involved in humanitarian efforts, even when they were not to our advantage to do so such as in Somalia in 1992 or Kosovo in 1997 , is legendary. He even admitted to shooting at them, but denied being responsible for their deaths.

Proud to be American

. Though you may find it cheaper than flying a family of four first class internationally, it is rarely the case, except when traveling from Western Europe.

Proud to be American

Most police cars in the US are black and white however it can vary between each area.
