Collapse of the Soviet Union: National Conflicts and Independence

But no law or change in approach by the Kremlin could have stopped the break-up of the USSR by the late 1980s.

Recognition of the Soviet Union in 1933 by FDR

Joan Hoff-Wilson, Ideology and Economics: US Relations with the Soviet Union, 1918-1933 Columbia, Missouri: University of Missouri Press, 1974 , discusses the dichotomy between business and government during this period. This is one of the most important problems of the national policy of the Party. On the whole, the Five-Year Plan calls for an investment of 345.
