**Advanced data mining and applications
[electronic resource] : 4th international
conference, ADMA 2008, Chengdu, China, October 8**

This goal has been partially achieved in a very short time despite the young age of the conference, thanks to the rigorous review process insisted upon, the outstanding list of internationally renowned keynote speakers and the excellent program each year.

Advanced data mining and applications (2008 edition)

Although we do not have any reason to believe that your call will be tracked, we do not have any control over how the remote server uses your data.

Advanced Data Mining and Applications: 4th International Conference, ADMA 2008, Chengdu, China, October 8

The papers focus on advancements in data mining and peculiarities and challenges of real world applications using data mining and feature original research results in data mining, spanning applications, algorithms, software and systems, and different applied disciplines with potential in data mining. The Fourth International Conference on Advanced Data Mining and Applications ADMA 2008 will be held in Chengdu, China, followed by the last three successful ADMA conferences 2005 in Wu Han, 2006 in Xi'an, and 2007 Harbin.
