Scatterplots and Regressions

The graph above wasn't strictly necessary, but I find it helpful, as it tells me what I should probably be expecting.

Scatterplots and Regressions

All exercise sets have been carefully updated with this revision.

Scatterplots and Regressions

These video solutions contain brief explanations and reminders of material in the chapter. All exercises are either Multiple Choice or Matching, and all answers can be found in the answer section of this text. Exponents, Polynomials, and Polynomial Functions 5.
